

AQUAMAX ^{Eco} Eco CLASSIC

*The powerful classic in
a completely new design*

- Uncompromisingly reliable - it pumps pond water and course debris particles up to 8mm into the filter
- The entry level series of filter and watercourse pumps from OASE
- Extremely economical: Thanks to its energy-efficient motor, the AquaMax Eco Classic constantly saves electricity – and therefore money – while in operation
- Suitable for use on swim ponds and bathing ponds (used in an exterior pump chamber)
- Included in the scope of delivery: Special hose adapter with threaded collar for different hose sizes
- »Environmental Function Control« (EFC by OASE) protects against dry run and blocking

AquaMax Eco Classic 2500E / 3500E

- Up to 40% more efficient than previous models

A garden idyll for beginners

Anyone who wants to add water to their garden - whether in the form of a secluded corner with a pond or a small stream running across the garden - is looking for an easy-to-use pond pump that works powerfully and reliably.

The AquaMax Eco Classic C is designed so that you can control the flow for different pond and stream sizes. It is also particularly energy-efficient.

Simple and cleverly adjusted

With the OASE Easy Switch app, you can regulate the performance of the AquaMax Eco Classic Controllable models as required via smartphone or tablet.

To do this, download the OASE Easy Switch app. After turning on the Bluetooth function on your mobile device, the app automatically connects to the activated pond pump. Select the pump and follow the instructions in the app.
